

# AKHIN K

## MOBILE APP DEVELOPER

+971 0569778424   [akhinkakhin@gmail.com](mailto:akhinkakhin@gmail.com)   [linkedin](#)   [Git lab](#)   [Portfolio](#)

---

### SUMMARY

#### Mobile app developer | react native | flutter flow

Experienced **Mobile App Developer** with 2 years of comprehensive development experience in **cross-platform mobile applications** and **web technologies**. Proven track record in **React Native**, **React.js**, **Django**, and **FlutterFlow** development. Successfully delivered multiple high-performance mobile applications with strong expertise in frontend technologies. **Mechanical Engineering** graduate with exceptional problem-solving abilities and rapid technology adoption skills.

---

### PROFESSIONAL EXPERIANCE

#### TEGAIN PRIVATE LIMITED

REACT NATIVE | FLUTTERFLOW - 01 MAY 2024 - PRESENT

- Developed and deployed 5+ cross-platform mobile applications using **React Native** and **FlutterFlow**
  - Integrated real-time **video consultation** capabilities by implementing **LiveKit SDK** and **Agora Video Call SDK** in Flutter, enabling seamless doctor-patient virtual appointments with high-quality audio/video streaming
  - Integrated **RESTful APIs** to establish seamless backend connectivity, implementing secure data exchange, authentication workflows, and real-time synchronization across mobile applications
  - **Optimized** mobile application performance through code splitting, lazy loading, and efficient state management, resulting in 30% faster app launch times and improved memory usage
  - **Managed version control workflows** using **Git** and **GitLab**, implementing branching strategies that reduced code conflicts by 60% and streamlined team collaboration
  - Facilitated effective communication and coordination between technical and quality assurance teams through regular **Microsoft Teams** meetings, ensuring alignment on project requirements and streamlined issue resolution
  - Collaborated with cross-functional teams including designers, QA engineers, and product managers to deliver projects on time with 98% requirement compliance using **Agile methodologies** with **Taiga** and **Jira**
  - Translated **Figma design** prototypes into pixel-perfect mobile interfaces, ensuring design consistency and adherence to brand guidelines across all application screens
- 

#### STEYP PRIVATE LIMITED

FULL STACK DEVELOPER (Internship) - 01 MAY 2024 - PRESENT

- Built end-to-end web applications using **React.js**, **Python**, and **Django framework**.
  - Designed and developed responsive **frontend** interfaces using **HTML5**, **CSS3**, **JavaScript**, and **Bootstrap**, ensuring cross-browser compatibility.
  - Implemented **backend REST APIs** with Django framework, including user **authentication**, database operations, and third-party service integrations.
  - Developed **React Native** mobile applications as part of **full-stack** solutions, gaining expertise in mobile development and cross-platform compatibility.
  - Managed **database design** and **optimization** for web applications, improving query performance by 25% through efficient schema design and indexing.
  - Utilized **Git** and **GitLab** for version control and collaborative development, maintaining clean commit histories and following established branching workflows
-

## TECHNICAL SKILLS

- Mobile Development: **React Native, FlutterFlow, Cross-platform Development, Mobile UI/UX**
  - Frontend Technologies: **JavaScript (ES6+), React.js, HTML5, CSS3, Bootstrap, Responsive Web**
  - Backend Technologies: **Python, Django Framework, RESTful APIs, Database Integration**
  - Development Tools: **Git, GitLab, Visual Studio Code, Android Studio, Xcode**
  - Project Management: **Jira, Taiga, Agile Methodologies, Scrum**
  - Testing & Deployment: **Unit Testing, App Store Deployment, Performance Optimization**
- 

## KEY ACHIEVEMENTS

- **Career Transition Excellence:** Successfully transitioned from **Mechanical Engineering** to **Software Development**, achieving proficiency in 8+ technologies within 2 years
  - **Multi-Platform Expertise:** Developed comprehensive skills in both **web** and **mobile application** development, becoming a versatile full-stack developer
  - **Technology Mastery:** Gained advanced proficiency in **React Native, React.js, Django**, and **FlutterFlow** through hands-on project development and continuous learning
  - **Cross-Functional Collaboration:** Demonstrated strong teamwork abilities by working effectively with designers, QA teams, and product managers across multiple projects
- 

## Education

Bachelor of Engineering in Mechanical Engineering

Dhanalakshmi srinivasan college of engineering coimbatore

2017 - 2021

---

## CERTIFICATIONS & TRAINING

- **React Native Development Certification**
  - **Full Stack Web Development**
  - **Agile Project Management**
  - **Git Version Control Systems**
- 

## LANGUAGES

- **English** : Read, Speak, Write
  - **Malayalam** : Read, Speak, Write
  - **Hindi** : Read, Speak, Write
-
